Re: *In re: Payment Card Interchange Fee and Merchant Discount Antitrust Litigation*,  
MDL No. 1 :05-MD-1720 (JG)(JO) (E.D.N.Y.)

Dear Magistrate Orenstein:

As the Court knows, we had intended to file for preliminary approval last Friday, October 12, 2012, but due to logistical issues we are still finalizing the documents. We remain on track to file by the Court-ordered deadline of October 19, 2012. We have consulted with and/or notified all the interested parties that counsel for the Class does not feel the need for the Wednesday, October 17, 2012 status conference. No one has notified us that they believe the conference is still necessary. Thus, we would request that the current status conference set for October 17, 2012, be cancelled at this time.

Respectfully submitted,

s/ Patrick J. Coughlin
